IIT ROPAR TIF – AWADH APPLICATION PRESENTATION

Brand Identity, Visual Communication & Digital Media Portfolio

Applicant: **OM RAJ** | Position: **Graphic Designer – Brand & Visual Communication**

Open-Access Portfolio Links:

- Google Drive Graphics Folder: View Graphic Artwork Repository
- Personal Live Website: https://om1904.github.io/omraj-website/

1. Commercial Brand & Product Packaging Design

milliLitre Water Initiative

Brand Architecture & Logo Design

Conceptualized complete brand identity, typography, and symbol vector art for **milliLitre** (packaged drinking water initiative by SAH Group of Industries).

FMCG Bottle Label Packaging

Designed commercial label wrap-arounds, regulatory compliance information, barcode placements, and pre-press print layouts.

Marketing & Industrial Collaterals

Created point-of-sale posters, industrial B2B brochures, product specification flyers, and social media launch assets.

Open-Access Artwork Link

Inspect full high-res bottle labels and vector packaging art in the official Google Drive Portfolio Folder.

2. High-Stakes Campaign & Event Branding

Patna University Elections 2022 & 2025

Rapid Turnaround Execution

Designed high-impact campaign posters, flex banners, and flyers under strict 24–48 hour turnaround deadlines during university elections.

Social Media & Carousels

Created viral Instagram/Facebook election carousels, campaign manifestos, and digital candidate profiles.

Event Collaterals

Designed backdrops, standees, certificates, and promotional materials for Patna Science College Annual Sports Meets (2023–2025).

Key Impact: Maintained strict visual consistency across 50+ printed and digital assets, contributing to successful high-visibility student campaigns.

3. Web UI/UX, Portals & Desktop Software Apps

IIT Ropar AWE LAB & Microsoft Store

AWE LAB Official IIT Ropar Portal

Designed and authored the official academic research portal for Dr. Indramani Dhada's group at IIT Ropar. [View Live Portal]

SNIFF DOI 2.0 Desktop Software UI

Designed user interface for academic reference discovery platform indexing 250M+ papers on Microsoft Store. [View MS Store Page]

WASH Suite v2.0 Chemistry Engine UI

Crafted clean lab dashboard and NABL PDF certificate layout engine for environmental testing software. [View MS Store Page]

Scientific Abstracts & Schematics

Created publication-grade graphical abstracts, plant genomics schematics (JNU), and biochar reaction flowcharts.

4. Value Proposition & Strategic Alignment with AWaDH

Reporting to AWaDH CxO

End-to-End Creative Ownership

Able to independently translate complex deeptech, ICPS, AI, and startup initiatives into compelling visual branding without requiring step-by-step supervision.

Full Software & Tool Proficiency

Mastery over Adobe Photoshop, Illustrator, Premiere Pro, Canva Pro, CapCut, InShot, Figma, and modern AI-assisted design tools.

Institutional Event & Conclave Branding

Ready to design complete branding packages for AWaDH conclaves, investor meets, hackathons, annual reports, and CxO pitch decks.

Immediate IIT Ropar Availability

Already associated with IIT Ropar, enabling seamless offline collaboration at AWaDH TIF from Day 1.
